Blue Shield dental rate charts

Blue Shield dental rates

	Dental PPO 1000	Dental PPO 1500
Individual	\$31	\$39
Two-party ²	\$62	\$78

Please note: Monthly premiums for the dental plans are in addition to the premium for medical benefits covered by the Blue Shield health plan. However, you will receive one bill that combines your health and dental premiums.

² Members enrolled in a Blue Shield Medicare Supplement plan under a two-party agreement can elect to add dental coverage **for one or both members**. If both members elect to enroll in the same dental plan they will receive one combined bill for their medical and dental premiums; however, if only one member elects to enroll in a dental plan, or if both members elect to enroll in different dental plans, the members are tacitly changing their two-party agreement and two-party rate for the Medicare Supplement plan to individual agreements and single-party rates. The two-party rate discount will no longer apply, and they will be billed as individual subscribers. The member(s) with dental coverage will receive one bill combining their medical and dental premiums.
